PRESIDENT'S SECRETARIAT

New Delhi, the 11th December 1964

No. 85-Pres./64.—The President is pleased to make the following awards to the undermentioned officers of the Madhya Pradesh Police :—

Police Medal for Gallantry

1. Shri Mathrubootheswaran Natarajan, I.P.S., Superintendent of Police, Bhind, Madhya Pradesh.
2. Shri Vinay Kant Agnihotri, Deputy Superintendent of Police, Bhind, Madhya Pradesh.

Bar to the Police Medal for Gallantry

3. Shri Madho Singh, Deputy Superintendent of Police, Bhind, Madhya Pradesh.

Statement of services for which the decorations have been awarded.

At midday on the 10th March, 1964, reliable information was received by Shri Mathrubootheswaran Natarajan, Superintendent of Police, Bhind, that the gang of notorious dacoit Chhakki Mirdha, who carried a reward of Rs. 5,000 on his head, was present in village Chamaron-ka-pura about ten miles north of Bhind. This gang had been operating in the districts of Bhind, Gwalior and Morena and by a series of murders, dacoities and kidnappings had spread terror in the countryside. In December, 1963, they had shot dead, in broad day-light, a Central Railway official in the presence of 200 labourers.

Shri Natarajan lost no time in assembling all the available police in the area and with Shri Vinay Kant Agnihotri and Shri Madho Singh, Deputy Superintendents of Police, Bhind, to assist him, proceeded with all speed to village Chamaron-ka-pura. The force advanced from different directions in order to encircle the village and carried out this manoeuvre unobserved by the dacoits. While Shri Natarajan, Shri Agnihotri and Shri Madho Singh waited in ambush to the south-west of the village, where a pulse crop extended from the village to the fringe of the ravines, a small party of police moved towards the village from its northern extremity. As soon as the presence of this party was detected by the dacoits they left the village and made for the ravines using the pulse crop as cover. When the dacoits came to within 60 yards of Shri Natarajan, he challenged them. They at once took up lying positions and brought concentrated fire on the three police officers. Realising that the crop and intervening elevated land would prevent effective fire being brought to bear on the dacoits, Shri Natarajan, Shri Agnihotri and Shri Madho Singh, at great personal risk, left their positions and advanced in the open to higher ground from where they could see and effectively strike at the gang. Finding themselves cornered, the dacoits, in a desperate bid to escape, tried to shoot their way out. In the ensuing gun battle Chhakki Mirdha and two other dacoits were shot dead. A .303 rifle, a Mauser rifle and a 12 bore single barrel repeater together with a large quantity of ammunition, were recovered from the dacoits.

During this encounter with a proclaimed gang of dacoits, Shri Mathrubootheswaran Natarajan, Shri Vinay Kant Agnihotri and Shri Madho Singh, displayed initiative, gallantry and devotion to duty of a high order at great risk to their own lives.

2. The awards in the cases of Nos. 1 and 2 are made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and in the case of No. 3 under rule 4(i) read with rule 5(b), with effect from the 10th March, 1964.

(K. R. DAMLE)
Secy. to the President.

MINISTRY OF INDUSTRY AND SUPPLY

(Department of Industry)

RESOLUTION

New Delhi, the 19th December 1964

SUBJECT: *Prices of Electric Lamps & Fluorescent Tubes*

G. S. R. No. —The Government of India had received several representations that there was shortage of low wattage lamps and fluorescent tubes and that high prices were being charged for electric lamps taking advantage of this shortage. The Government, therefore, requested the Tariff Commission to investigate the cost structure of electric lamps and recommend fair selling price of various types of lamps under Section 12(d) of the Tariff Commission Act, 1951. The report of the Commission has now been received. The main recommendations of the Commission are:—

- (a) The fair prices of (i) General Lighting Service Lamps and Train Lamps, (ii) Fluorescent Tubes (iii) High Pressure Mercury Vapour Lamps and (iv) Miniature Lamps, as determined by the Tariff Commission, are given in the statement enclosed (Annexure-I). These prices are exclusive of Union excise and State and local levies, if any, but include such duties on glass shells and other materials used in the process of production. In the case of High Pressure Mercury Vapour Lamps and Automobile Lamps the prices recommended are to be taken only as indicators.
- (b) The fair prices recommended should be in force for 3 years and a further inquiry should be undertaken well before the end of that period.
- (c) In order to step up production in the short run and bring down costs, second shift operation of one of the existing automatic lines of production in the industry should be permitted. Gradually as the demand increased the other automatic lines of production may also be permitted double shifts on a phased basis. Careful consideration may also be given to meeting the maintenance requirements such as components and raw materials of Units which have already installed modern automatic equipment and can work partially a second shift.
- (d) For the immediate increase of the supply of fluorescent lamps, M/s. Hind Lamps Limited, may be licensed to work double shift.
- (e) Licences not implemented beyond a reasonable period should be cancelled and allocated to other existing units.
- (f) No further licensing for the manufacture of lamps is desirable unless such parties are assured of regular supplies of components such as shells, tubes and caps.
- (g) Efforts should be made for substituting aluminium for brass for the manufacture of caps.
- (h) The practice of stamping prices on lamp cartons already adopted by some producers should be generally followed and retail prices should to the extent possible also be stamped on lamp in order that there could be some control over re-sale prices. The producers should consider arrangements by which

they could through their agreements with selling agents and other distributors, ensure some control over margins, so that the retail prices are effectively implemented in the interest of consumers.

- (i) All the lamp manufacturers should take immediate steps to use 60 mm shells for 75 and 100 watt lamps also.
- (j) Setting up of separate units as are already licensed for manufacturing components should be expedited and possibility of setting up of special units for making glass shells and glass tubes should be explored further.
- (k) The electric lamp industry still stand in need of several imported components like rods, lead-in-wire, tungsten filament etc. Steps should be taken to help production of such components early within the country. The indigenous manufacture of glass tubes for blowing miniature shells and caps for miniature lamps should be encouraged.
- (l) Units in the small scale sector should be encouraged to develop the manufacture of miniature lamps which cannot be standardised on the production side.

2. There is at present no statutory control over the prices of electric lamps but, the Government of India agree that all the lamp manufacturers should follow the practice of stamping the retail prices on lamp cartons, to enable the consumers know the fair prices. The Government of India also accept the other recommendations of the Tariff Commission in principle with the reservation that permission to any other unit to work a second shift should be synchronised with increased availability of components and raw materials so as not to cause any dislocation in the production of other existing units.

3. The fair factory prices determined by the Tariff Commission are based on the current level of customs levies on imported components. According to Customs Notification No. 58, dated 22nd February 1958, lamp-making raw materials and component parts except glass-shells and standard bayonet caps, are exempted from the whole of Customs Duty leviable thereon under the Indian Tariff Act, 1934 (32 of 1934). For the past several years there is a complete ban on the import of the types of lamps manufactured in the country. It has, therefore, been decided to withdraw the duty free concession and the fair selling prices of the various types of lamps after withdrawal of the concession are given at Annexure-II. The Tariff Commission has agreed to this modification.

4. The Government of India hope that the industry and the trade would pay due regard to the recommendations of the Tariff Commission about the fair prices and would voluntarily adopt in practice a policy of not exceeding the price limits suggested by them.

ORDER

ORDERED that a copy of the RESOLUTION be communicated to all concerned and that it be published in the GAZETTE of India.

K. V. VENKATACHALAM, Joint Secretary

सं० 85-प्रेज/64—राष्ट्रपति मध्य प्रदेश पुलिस के निम्नांकित अधिकारियों को उनकी वीरता के लिये निम्नलिखित पुरस्कार प्रदान करते हैं :—

वीरता के लिये पुलिस पदक

1. श्री मयबूधेश्वर नटराजन, आई० पी० एम्०, पुलिस अधीक्षक, भिण्ड, मध्य प्रदेश।
2. श्री विनय कान्त अग्निहोत्री, पुलिस उपाधीक्षक, भिण्ड, मध्य प्रदेश।

वीरता के लिये पुलिस पदक की "धार"

3. श्री माधो सिंह, पुलिस उपाधीक्षक, भिण्ड, मध्य प्रदेश।

सेवाओं का विवरण जिनके लिये पदक प्रदान किये गये :

दिनांक 10 मार्च, 1964 के मध्याह्न श्री मयबूधेश्वर नटराजन, पुलिस अधीक्षक, भिण्ड, को विश्वस्त सूचना मिली कि कुख्यात डाकू छक्की मिरधा जिसको गिरफ्तार करने के लिये 5,000 रुपये का पुरस्कार रखा गया था, अपने गिरोह के साथ ग्राम चमारों-का-पुरा जो कि भिण्ड के उत्तर में दस मील पर स्थित है, में उपस्थित था। यह गिरोह भिण्ड, खालियर तथा मुरैना जिलों में कार्यवाहियां कर रहा था, और उसने लगातार हत्याएँ, डाके तथा अपहरणों के कारण ग्रामों में आतंक फैला रखा था। दिसम्बर 1963 में, उन्होंने दिन-दहाड़े 200 मजदूरों की उपस्थिति में केन्द्रीय रेलवे के एक अधिकारी को गोली से मार दिया था।

श्री नटराजन ने तुरन्त ही क्षेत्र में उपलब्ध पुलिस को एकत्रित किया और श्री विनय कान्त अग्निहोत्री एवं श्री माधो सिंह, पुलिस उपाधीक्षकों को अपनी सहायता के साथ लेकर गांव चमारों-का-पुरा की ओर पूरी गति से बढ़े। पुलिस गांव को घेरने के लिये विभिन्न दिशाओं से आगे बढ़ी, और इस कार्य को डाकुओं के जाने बिना पूर्ण किया। जबकि सर्वश्री नटराजन, अग्निहोत्री तथा माधो सिंह गांव की दक्षिण-पश्चिमी दिशा में, जहां कि दाल की फसल गांव से लेकर खड्डों की हद तक बढ़ी थी, छिपकर प्रतीक्षा करने लगे, तब पुलिस की एक छोटी टुकड़ी गांव में उत्तरी दिशा के अन्तिम छोर से आगे बढ़ी। जैसे ही डाकुओं को इस टुकड़ी की उपस्थिति का

आभास हुआ, वे गांव छोड़कर दाल की फसल की आड़ लेते हुये खड्डों की ओर चले गये। जैसे डाकू श्री नटराजन से 60 गज की दूरी पर पहुंचे, उसने डाकुओं को जलकारा। डाकुओं ने एकदम सेटने की स्थिति ले ली और इन तीन पुलिस अफसरों पर गोलियों की झड़ी लगा दी। यह अनुभव करते हुये कि फसल तथा बीच में उठी हुई भूमि डाकुओं पर अच्छी प्रकार गोली चलाने में बाधा होगी, सर्वश्री नटराजन, अग्निहोत्री तथा माधो सिंह, स्वयं को महान् संकट में डालते हुये, अपनी स्थितियों को छोड़ कर खुले में ऊंची भूमि की ओर बढ़े, जहां से वे डाकुओं को देख सकें तथा गिरोह पर प्रभावी गोली चला सकें। अपने को घिरा हुआ पाकर निराशा से उम्र होकर डाकुओं ने गोली चलाकर अपना मार्ग बनाकर भागने का प्रयत्न किया। तत्पश्चात् वस्त्रों द्वारा किये गये युद्ध में छक्की मिरधा तथा दो अन्य डाकू मारे गये। गोला बारूद की भारी मात्रा सहित एक 303 राइफल, एक मौसर राइफल और एक 12 बोर मिंगल बैरल रिपीटर डाकुओं से प्राप्त हुई।

डाकुओं के उद्घोषित गिरोह के मध्य हुई इस मुठभेड़ में अपने जीवन को महान् संकट में डालते हुये सर्वश्री मयबूधेश्वर, विनय कान्त अग्निहोत्री तथा माधो सिंह ने पहल, वीरता एवं उच्चकोटि की कर्तव्यपरायणता का परिचय दिया।

2. ये पदक, संख्या 1 तथा 2 में उल्लिखित अधिकारियों को पुलिस पदक नियमावली के नियम 4(I) के अन्तर्गत वीरता के लिये तथा संख्या 3 में उल्लिखित अधिकारी को नियम 4(I) के अन्तर्गत जो कि नियम 5(बी) के साथ पढ़ा जाय, 10 मार्च, 1964 से दिये गये।
